ONE OF MENLO PARK'S MOST NOBLE WOMEN PASSES TO GREAT BEYOND

In the sudden death of Mrs. Mary Ellen Selzer this community has suffered a severe loss, her family a devoted parent and Menlo Park an enthusiastic and ardent advocate. Mrs. Selzer was taken to the Peninsula hospital at Palo Alto on Monday suffering from a severe cold and an attack of asthma. Pneumonia soon developed and the much-loved and admired woman passed to the great beyond Tuesday morning at 5 o'clock.

Mrs. Selzer first saw the light of day in Scott Valley, Siskiyou county, over fifty years ago. As a girl she attended the convent of the sisters at Yreka from which institution she graduated with honors. Coming as a young woman to Oakland she became the wife of the late Dr. E. Selzer, a pharmacist and practicing physician. Three children were born to the couple, Elliott E. Selzer, a druggist at Red Bluff, Max Selzer, an employee of the Oakland Post-office, Roland, the second oldest boy, died at San Francisco many years ago.

Besides her sons Mrs. Selzer is survived by a sister and brother and her father, aged 92 years, all residing near Fresno.

Mrs. Selzer first came to Menlo Park in 1891 when she purchased the drug store which she conducted until 1893 when she opened the first drug store at Palo Alto. For a time Mrs. Selzer conducted these institutions jointly and with success. She moved back to Menlo Park in 1906 and has remained there ever since.

Mrs. Selzer was a kind hearted, motherly woman, and none knew this more than the soldiers, who appreciated her kind ministrations to them. There are a great many of

the boys in uniform who left here last year and are now at the battle front in France who will sorely regret her demise. She administered to their little wants like a mother would. Their earnest prayer "over there" will be for this noble woman.

Not only was Mrs. Selzer kind to the soldier but to all who needed her services. No task was too great and no sacrifice too severe for her in helping others and assisting those in distress. Mrs. Selzer was the sole of courtesy, she was obliging and accommodating under all circumstances. The wealthy residents here would have no other person fill their prescriptions. They had implicit confidence in her ability and honesty, feeling sure that their prescriptions were properly prepared.

Mrs. Selzer was a slave to duty, remaining at her little store and doing her work until the last. Her death has caused profound sorrow in this community where she had lived so long and where her worth was fully appreciated by an admiring people. She loved her friends and never was so happy as when they were gathered about her in a friendly chat or at the theatre. Her like will not soon be met again.

The funeral will take place this afternoon at 2 o'clock from the Church of the Nativity. The body will be placed along side of the remains of her son, whom she loved in life and whose memory she so strongly cherished, in Holy Cross cemetery, Menlo Park. The following old time friends have been selected to act as pall-bearers, W. J. Murray, D. E. O'Keefe, T. P. Maloney, William H. King, James T. O'Keefe and Frank Kirkpatrick.

J. J. BULLOCK TO SPEAK AT HALF MOON BAY

Attorney Joseph J. Bullock has been selected to be the principal speaker at a patriotic demonstration to be held in Half Moon Bay on next Tuesday. The mass meeting will be held under the auspices of the County War Savings and Thrift Stamp Committee, under Director T. T. Wiseman. The selection of Mr. Bullock to deliver the main address will be welcome news to those planning to attend, for the patriotic addresses given by him recently were eloquent and there is a constant demand for his appearances in public. The meeting is part of a new campaign to increase the sale of the War Savings Stamps, and others will be held in other cities of the county.

Lieutenant Mackenzie Home on Visit
Lieutenant Norman Mackenzie of the Dental Corps of the United States army and stationed at Camp Kearny, is in Redwood City on a furlough visiting his parents. Lieutenant Mackenzie enjoys his work in the army.

TROUT SEASON OPENS ON THE FIRST OF APRIL

The trout season opens on next Monday, April first. Local like Waltons have taken down their rods and reels and are getting them in readiness for the opening. All the creeks on this side of the mountain, owing to the death of rains, will be poor fishing grounds for the fisherman, while the San Geronimo and La Honda streams are well stocked with the speckled beauties. The limit is 50 trout a day or one fish weighing 10 pounds or over.

Many will leave here this evening to be on the ground early for the opening of the season, for it is said that the "early bird catches the worm" but the local like Waltons want to catch trout.

Temperance Rally at Baptist Church
Easter Sunday eve, another big temperance rally—the Resurrection of Redwood City from the curse of strong drink. Mr. Thomas Lawson of San Francisco will speak at 7:30 (new time). Easter Sunday morning Bible study at 10:15.

MRS. C. M. HEISE GRANTED SPECIAL LETTERS TO ACT

Charlotte M. Heise has been granted special letters of administration by Judge Buck upon the estate of E. P. Heise, who died in San Francisco on March 22, 1918. As it will be some time before the regular letters are granted it is necessary that some one take care of the estate at once, to collect bills and manage same. The value of the estate is not mentioned in the petition for special letters.

The heirs at law besides Mrs. Heise are Ida W. Heise, residing at Whittier, Walter L. Heise, living at Berkeley and two sisters—residing in Nebraska.

E. F. Fitzpatrick is the attorney for the estate.

INTERESTING NOTES ABOUT VARIOUS SCHOOL DISTRICTS

The San Mateo County Board of Education at its meeting last Saturday recommended Miss Elsie Northrup and Miss Sophie Nobs to the State Board of Education for Life Certificate, they having taught the required length of time. Certificates were issued on credentials to the following: Grammar School—Ruth M. Hill, Susie Bridgwater, Alice Clotilde Mayhew; High School—S. Vida Ross, Elizabeth Russell.

Superintendent of Schools, Roy W. Cloud, was in Oakland this week attending the sessions of the California State Teachers Association. Mr. Cloud was in Napa on Wednesday and addressed the Napa County teachers twice at their county institute.

The trustees of the Ravenswood School District have called a bond election for \$20,000 for the erection of a four room and assembly hall school building. Mr. Charles Weeks, who has made chicken farming a practical business there has given the district two blocks of land comprising slightly more than three acres for the school grounds.

County Superintendent of Schools, Roy W. Cloud, was elected president of the Elementary section of the State Teachers' Association at the Association meeting Thursday. W. L. Glascock, principal of the San Mateo Union High School was elected secretary. The convention at Oakland this week was one of the largest ever held and speakers of National reputation gave the assembled teachers many things which will help and inspire them in their work. The keynote of the meeting was Patriotism.

Two of the new schools in the Jefferson School District were accepted by the trustees last Saturday. The school at Colma has been named the R. S. Thornton school in honor of R. S. Thornton, who spent so many years of his life in that section. The school in the West End Homestead has been named David C. Broderick School. Senator Broderick after whom the school was named was killed in a duel by Judge Terry in the Jefferson School District.

Mr. Otis M. Carrington with his family went to Saratoga last Sunday spent the week with his mother.

Mr. and Mrs. Branson E. Meyers spent part of their vacation with Mrs. Meyers' parents at Bolinas.

Miss Katherine Wolfenden was in Oakland the fore part of the week visiting her mother.

Thomas Coats resigned his position as school trustee of the Greenburg district this week and his place was filled by Mr. Cloud by the appointment of Mr. John J. Kelley.

Glynn to be Admitted to Probation
J. P. Glynn, who shot and killed Mr. Bloom at Pescadero some years ago, will be admitted to parole by the San Quentin parole board next Monday. Glynn was sentenced to serve 14 years in the state prison. He made a model prisoner and was given full credits. He is well-known at Pescadero.

RE-ELECTION OF OLD BOARD MEMBERS IS ALMOST CERTAIN

Indications are, as we go to press, that D. E. O'Keefe and Thomas O. Heydenfeldt are returned to the high school board with a handsome majority.

The heaviest vote ever polled at a school trustee election in Redwood City was cast at the election yesterday. Voters came out early to perform their civic duty. At this time O'Keefe and Heydenfeldt are leading in the count. They have a substantial lead over their opponents.

The outlying districts have rolled up big pluralities for the incumbents. The campaign was strenuously conducted by all candidates.

Henry Steinberger was re-elected grammar school trustee, he having no opposition.

BENEFIT CARD PARTY AND DANCE FOR RED CROSS

Don't forget the big benefit card party and dance for the Red Cross next Monday evening at Foresters hall, at 8 o'clock. The chairman, Mrs. Jas. M. Eva, is in receipt of a letter from General Morrison, commander in chief at Camp Fremont, stating that any soldier who wishes to attend may obtain passes at the Camp or Canteen which will extend their time until midnight on that evening to be back to the camp. This ensures our famous Twelve Infantry orchestra of twenty pieces for music.

The committees on cards, dancing and refreshments have been working hard to make this benefit a huge success and it is hoped that every patriotic citizen will avail themselves of this opportunity of having a pleasant evening and increasing the funds for the local chapter.

FILIPINO HELD TO APPEAR BEFORE SUPERIOR COURT

John Cristostomo, a Filipino, charged with the murder of a counterman at La Honda three weeks ago, had his preliminary examination in Judge Seely's court on Wednesday. He was held over to appear before the superior court without bail.

This prisoner is mentally weak and in all likelihood will be found to be insane and will be confined to some state hospital. Both men were wood choppers at La Honda. Cristostomo killed his victim while the latter lay in bed.

FLOYD L. BAIRD A POPULAR CANDIDATE FOR TRUSTEE

Floyd L. Baird is looming up as a popular candidate for town trustee. He is a man of family, a property owner and would make an ideal town official. He resides on Roosevelt avenue and many make the argument that he is a representative of that district should be on the board. Every portion of the municipality ought to be represented in the council in order that all districts might have a say in the laws to be enacted and the taxes that are to be levied. Mr. Baird will poll a large vote.

J. C. BARG VINDICATED

Judge Buck on Saturday last rendered a judgment in favor of John C. Barg in his slander suit against Louis Blas.

In submitting the case to Judge Buck last week Attorney Albert Mansfield for the plaintiff stated that his client did not desire any damages, but merely wanted a vindication of his character.

Blas is alleged to have circulated a rumor that Barg had made unpatriotic statements. It was conclusively shown in court that Barg was not in Redwood City at the time he was accused of making the remark which caused the trouble.

Mr. Barg has been in business in this city for many years and enjoys the esteem and confidence of every one. Mr. Barg was born in New York. He is thoroughly patriotic and strongly pro-American.

DRAFT CONTINGENT LEAVES ON 1:20 TRAIN THIS AFTERNOON

The draft contingent will leave San Mateo for American Lake on the 1:20 o'clock train this afternoon, according to announcement made by the Eemption board. Owing to the school vacation this week, no formal celebration will be held in honor of the departing contingent but relatives, friends and any other persons interested will be on hand to bid the boys Godspeed. Twenty-seven men will leave in this contingent, five of whom are from Redwood City and two from Menlo Park. The remainder are from different parts of the county.

W. A. Brooke Appointed Guardian
Judge Buck on Thursday appointed Dr. W. A. Brooke, public administrator, guardian of the person and estates of Millard and Joseph Henning, minors. The father and mother of both children are dead. The estates of the minors consists of an interest in certain real property in San Mateo county valued at \$5,000.

FATHER WHYTE TO SPEAK ON ANTI-SALOON SUBJECT

A rare treat is in store for the people of Redwood City and vicinity next Wednesday evening at the Sequoia theatre when Rev. Father Whyte, pastor of the Catholic church and parish in Sunnyvale will speak on the pros and cons of the anti-saloon proposition. Father Whyte is an exceptionally brilliant speaker with a wide reputation for his eloquent wit and wisdom. He will no doubt present this subject, which is now holding our attention in a new light. Redwood City should turn out in force to welcome so distinguished a visitor.

SHORT LOCALS CONCERNING REDWOOD CITY PEOPLE

Stephen and Norman Kreiss went up to Napa last Sunday to spend their vacation with relatives.

From 12 to 3 o'clock all stores and business houses were closed in recognition of the reverence which is attached to Good Friday.

Dr. J. L. Ross has gone to Paso Robles for ten days. He has a severe attack of rheumatism. The mud baths of that resort will bring him relief.

Miss Viola Woodhams, who resides with Mr. and Mrs. Frank K. Towne, will leave today for San Luis Obispo, where she will remain for several weeks with relatives.

Dwight Dickinson, who went to Camp Lewis with the first draft contingent from San Mateo county, is in Redwood City visiting his wife, who has remained here and is chief operator at the local telephone station.

Masses will be celebrated in Mount Carmel church tomorrow at 7 and 8 o'clock and a solemn high mass will be celebrated at 10:30 with a special choir and an appropriate sermon to be preached by a well-known pulpit orator.

A number of the lady friends of Mrs. Lila M. Kirkpatrick gathered at her home on Main street last Wednesday and gave her a surprise party and luncheon. The affair was given in honor of her birthday and a most enjoyable time was had.

Nicolas Blas, the sixteen year old daughter of J. Blas, the restaurant man of Broadway, was married to Thomas Ray Devers, aged 22 and a soldier at Camp Fremont, by Judge Seely on Saturday last. The young couple are making their home in Redwood City.

R. W. Madison was found guilty in Judge Seely's court yesterday morning for violating the speed laws on the highway near Menlo Park and was sentenced to pay a fine of \$10 to purchase war stamps. Madison was arrested by the military police.

COMPETENT JUDGE TELLS WHY SALOONS SHOULD BE CLOSED

William H. McHenry, formerly judge of the district court, in a statement to the public, bitterly condemns the saloons. He says:

"I have recently been asked this question, 'Why are you for prohibition?' and as I answered it then, I will answer it now. Thirty-five years ago I began to practice law and from that time to the present I have spent my life in an environment where I have constantly been face to face with the cruel and cursed consequences of drunkenness. I have seen my neighbor boys of school days ruined by liquor, convicted of crime, their families disgraced and impoverished; I have seen them rotten with disease and insane as the result of drunkenness."

"I was judge of the district court of Polk county for fifteen years, and in the discharge of my duty was compelled to send my playmates of childhood days to penitentiaries, inebriate as I know that 90 per cent of them were the consequence of drunkenness. During that fifteen years on the bench, I spent four years in the criminal division, I sent more than a thousand men to penitentiaries and jails for criminal offenses committed by them, and I know that 90 per cent of these crimes were caused by drunkenness originating in saloons. 'I granted more than 1000 divorces and I know that 90 per cent of them were the consequence of drunkenness and the drunkenness was due to the saloons. I have taken thousands of children from the homes of drunkards and placed them in state institutions for public protection and education whose homes were ruined by drunkenness. I have seen and know the moral depravity, the poverty, disgrace, the ruined hopes of mothers and children, the insane asylums and poorhouses crowded until the accumulated curses that I have seen springing from the presence of the saloon condemn that institution as the vilest influence that infests this world today."

W. H. McHENRY, Recently District Judge of Des Moines, Iowa.

Service at Cypress Lawn
Following a long established custom, a memorial service will be held in the chapel of Cypress Lawn cemetery on Easter Monday, April 1st, at 11 o'clock. The Communion service will be said by Rev. W. A. Brewer, rector of St. Paul's church, Burlington, and the sermon will be preached by Bishop Nichols.

Petitions for Change of Name

Frank Alvis Vierra, and old-time resident of Half Moon Bay, has petitioned the Superior Court, through his attorney Joseph J. Bullock, for legal permission to change his name to Frank Alvis, and the hearing has been set for April 25th. The many friends of the petitioner will no doubt be surprised to hear this fact, for he has been known for the last twenty years as Frank Alvis, and all his business dealings, and social relations have been carried on under the latter name.

Missionary Delivers Address

Rev. J. A. Emrich, a missionary, who has recently returned from Turkey, addressed the ladies of the Congregational church Wednesday afternoon at the church parlors. Mr. Emrich talked about the Armenians and gave some thrilling descriptions of the sufferings which these people undergo at the hands of the Un-speakable Turk.

ENGAGEMENT OF YOUNG COUPLE IS ANNOUNCED

The home of the Misses Dickey was the scene of a pretty engagement party, Wednesday, when the engagement of Miss Florence Holbrook and Eugene Sampson was made known. The table was beautifully decorated in Spring blossoms, pink being the predominating color. Miss Holbrook was the recipient of many beautiful gifts. The guests included the members of the Sewing Club, to which Miss Holbrook belongs.

Miss Holbrook is one of Redwood's most popular young ladies, but for the past year she has made her home with relatives in Fresno.

Mr. Sampson, the son of Mayor and Mrs. Edward Sampson, is one of Redwood's most prominent young men, and has been an employee of the Bank of Italy for several years. He has recently been called to service in the Naval Reserve and is now stationed at Mare Island.

The young couple have a great many friends here who will be pleased to hear of the engagement.

STATE FOOD CHIEFS WILL SEIZE HOARDS

State food administrators will be encouraged by the Food Administration to requisition summarily any stocks of wheat actually being hoarded. A general order to this effect has not yet been promulgated, but State administrators have been advised that they have authority to act.

GEORGE KREISS PROVING A SPLENDID VOTE RUSTLER

George A. Kreiss, the Broadway vulcanizer, is demonstrating his ability as a vote getter. He certainly shows speed in his candidacy for town trustee. He is making a clean, manly and aggressive campaign. Mr. Kreiss is a native son and has an interesting family. If elected he would give his time and attention to the duties of the office. He is fully alive to the needs of the city, knowing what improvements that should be made and if given an opportunity he would make them. Mr. Kreiss is certainly deserving of a big support.

It is conceded on all sides that C. M. Doxsee, the candidate for town trustee, will be elected by a large vote. He is a splendid citizen, a taxpayer and one who has the interest of the town at heart. He is progressive, an ardent advocate of improvement and should be chosen trustee would honestly and ably discharge the duties of the office. The voters should not miss this opportunity to cast their ballot for such an ideal candidate. We predict for him an overwhelming majority.

When men like Mr. Doxsee are willing to make sacrifices to serve the people they ought to receive the united support of every voter.

All week the people have been excited over the big drive the Germans are making in Europe against the Allies. Extra after extra has been sent out telling of the great slaughter going on over seas. Yesterday it appeared that the Hun has failed in his purpose, that his drive will surely end in defeat. The end of Kaiserism is in sight. We all feel a certain pride in the fact that a portion of the American army took part in the drive and will share the glory of victory with the Allies. Ultimate victory is certain to come to America and her Allies, for their cause is just and their battle for humanity and freedom must be victorious. The Allies cannot lose. They are on the side of right and must win.

Bully-boy von Hindenberg has swallowed the first course of that dinner which he boasted he would gorge in Paris on April first. It consisted of American shrapnel on the half shell, and it was served up to him at Toul, over 150 miles from the Cafe de la Paix. Dessert will be served to him in Berlin, and it is confidently predicted that Hindy, Bill the Butcher, and his whole Potsdam family will expire with acute indigestion.

The third Liberty loan to open April 6, will be for \$3,000,000,000 at 4 1/2 per cent interest. Bonds of the first loan, bearing 3 1/2 per cent interest, and of the second loan at 4 per cent, may be converted into the new bonds, but those of the third loan will not be convertible into any future issue. This announcement was made Tuesday at Washington by Secretary McAdoo. Every true American should support the Liberty loan.

The German attack upon the line held by the Americans at Toul was "rehearsed" four times, the despatches say. Evidently, though, the Yankees had the clue from the moment the Huns appeared on the scene.

Judgment Ordered for Defendants

The damage suit of Lucy M. Denny against Hugh J. McPhee and others was decided in the superior court on Tuesday when Judge Buck after hearing all the evidence gave a judgment for defendants.

Plaintiff was a domestic in the home of Mr. McPhee who resides at Burlingame. Along last year she was cleaning a suit of clothes in the house. There was a gasoline explosion and plaintiff was severely injured. She was badly disfigured. The court held that the explosion was caused by no fault of McPhee or his wife. Plaintiff asked for damages in the sum of \$15,000. Under the terms of the decision she will receive nothing. Ross and Ross appeared for plaintiff and Charles L. James of San Francisco represented the plaintiff.

TRAGEDY OF EARLY DAYS OF PENINSULA

Tragedy shadows the story of the San Francisco peninsula on which stands Stanford University. In the early fifties its owner, Francisco Rodriguez, committed murder. Records of Santa Clara county are silent on the subject, perhaps because Rodriguez was never brought to trial, but became a fugitive from friends and country.

Mrs. Sebastian Borjorquez, who is 84 years old and who lives in Mountain View, passed much of her childhood on the Buena-Rodriguez San Francisco peninsula. In fact, she was the niece of Conception Valencia, who married in turn Antonio Buena, its grantee, and Francisco Rodriguez. Mrs. Borjorquez's own maiden name was Conception Valencia. At her mother's death she was adopted by the Buena. Though the tragedy is known to few in Palo Alto, to her it is very real, as it is to Juan Buena of Menlo Park, whose father was the adopted son of the Buena. Buena saw the murder. He is now who first told the story.

Francisco Rodriguez killed with a short sword Geronimo Mesa, who married Jesus Soto, daughter of Rafael Soto, and an always carried a broad sword and he was the murderer. He only recalls that for years Rodriguez and Mesa had not liked each other. Mesa was the younger of the two. One night Francisco Rodriguez and little Juan Buena were driving in a road cart up what is called the Dennis Martin road. They were near where are now the Sharon styles on land at present owned by the Sharons family. They met Geronimo Mesa on horseback riding from the Greer ranch at Woodside.

Suddenly the two men were at each other's throats. The boy did not hear the words of the men in the death struggle. In fear he recoiled from them. He only remembers them swaying back and forth in a savage grapple, and their anger that drove them on. Rodriguez always carried a broad sword and he was the murderer. He threw the wounded man into a ravine came back to the cart, said nothing to the waiting, wondering boy and drove away.

It all took place in the darkness, and the boy did not know precisely what had happened. That night he was restless. The next morning one of the neighbors came to the old adobe near the Mountain Road crossing of the San Francisco road and told Rodriguez that his enemy was dead and that he had better go to San Jose and give himself up.

Mesa was buried in the old Dennis Martin cemetery. Geronimo Mesa was not in life, but happiness had fled from Francisco Rodriguez. From that time the old adobe became a doomed place for the family. Mrs. Buena does not know how much money it took to enable the murderer to escape, but there were those who demanded guilty dollars. Mrs. Rodriguez was obliged to sell her possessions for what she could obtain. Antonio Buena's lands were sold to greedy Americans for a song to save his widow's second husband from the noose.

Rodriguez fled to Mexico and there remained. Many years later, when friends and enemies had forgotten and officers of the law were no longer

Methodist Church

This is the season of the year when all Christians are more especially drawn to the more serious things of life, and when our thoughts and hearts turn toward the church. Especially now when this old world is torn to pieces by the distressing war, and when hearts are made sad because of disappointments and separation from those we love, ought to meet in places appointed for worship and there unite in prayer and supplication to Almighty God for His guidance and help in our hour of sorrow and trial. If you have no other appointed place we invite you to worship with us. Sunday School 9:45 a. m. Appropriate program by the children. 11 a. m. Public Worship with Baptism and reception of members. MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Mrs. Bee Lynch and Arthur Denzle, a markman of Co. K, 13th Infantry, were married Friday, March 22nd by the pastor of St. Joseph's Church of San Jose.

John Naselli, an experienced tonorial artist of San Francisco, has leased a portion of the new building recently erected on Golden Avenue and will open the parlors today. The other portion of the building has been rented for an ice cream parlor.

David Roche, for over twenty years superintendent of the James L. Flood place, has resigned his position on account of ill health and has rented a house in Redwood Highlands. Mr. Roche found it impossible to secure a suitable residence here.

Over 600 men belonging to the engineering corps departed for Washington, D. C. on Wednesday. They were camped in the field near El Camino Real. Many of the soldiers were here for a long time and had made many friends.

The story of a "cup of coffee" is best exemplified by going into Coffee Tom's and sampling his delicious beverage. His place is on the highway near Oak Grove Avenue. His lunches and home made cakes and pies tickle the palate of the most fastidious.

The Menlo Community Center on Mills avenue conducted under the auspices of the war department will be formally opened next Wednesday afternoon. The public will be received from 2:30 to 5 o'clock and from 7:30 to 10 in the evening. Official reception on Tuesday evenings from 7:30 to 10 o'clock.

FOR SALE—An elegant carved mahogany dining room set, beautiful carpets, small tables and fine chairs, some choice rugs and other household goods, kitchen utensils, garden tools, axes, etc., also two fine terrier pups 3 months old. Can be seen by appointment. Address Williams, Box 262 Menlo Park, Cal.

Every organization in Camp Fremont is laying out its streets in symmetrical order and planting the tent frontages in flowers. In some localities decorations of an artistic nature are being used extensively, as in the 62nd Infantry, Headquarters' troop, Second Field Artillery, where clever designs made of pebbles are standing the grass plots. The 19th Engineers have planted a huge design of a castle, the regimental insignia, in various colored flowers before the tent of Colonel O'Keefe.

The sudden death of Mrs. Edward Lawler late Tuesday night was a distinct shock to the people of Menlo Park where she was held in high esteem. Mrs. Lawler was sick but a very short time when the end came. An affection of the kidneys was the cause of death. Mrs. Lawler was a native of Iowa, aged 37 years; but came with her parents to Redwood City when a young girl. She was married seventeen years ago to Edward Lawler and had been a resident of Menlo Park since that time. Mrs. Lawler was a lovable woman, a true wife and a devoted mother. She is survived by her husband, and four children, the youngest being 6 years and the oldest 16 years. Before her marriage she was known as Miss Sophie Sahlgren. The funeral took place Thursday afternoon and the interment in Holy Cross Cemetery, Menlo Park.

Patrick Kearney has leased his property on Oak Grove Avenue for a restaurant to local parties for \$100 a month. Mr. Kearney has moved to his other home on Mills Avenue. The Maloney corner has also been leased this week to San Francisco parties who will open the place as a cabaret.

William Beard has disposed of his two lots and houses on Laurel avenue to Harry Seal. It is said the sum of \$2,500 was paid for the property. Mr. Hazelhurst has also sold his house and lot in the Dominga tract. There is a growing demand for Menlo Park realty at present.

ELECTION OF MENLO FIRE COMMISSIONERS

On April 1st there will be an election for Fire Commissioners held at Menlo Park. The present Board, Messrs. A. G. C. Hahn, C. W. Marwedel and C. R. Walter are again candidates for the office. The work that has been accomplished by them during the last two years should insure their re-election.

A large number of Standard Fire hydrants, such as are approved and recommended by the Board of Underwriters of the Pacific have been installed. A careful survey of the entire fire district was made and every hydrant put in was placed so as to give the greatest protection possible. A great deal of time and thought was devoted to, so spacing the hydrants that the best possible use of the mains of the Bear Gulch Water Company should be available. In one or two instances the Fire Commissioners were successful in having private property owners pay for the installation of public hydrants thus saving the district this expense.

The district has been provided with two pieces of motor driven apparatus, one a Seagrave is of the same make and type as that the San Francisco Fire Department has just placed a large order for. This machine is equipped not only with a forty gallon chemical tank, but also with a Booster pump of large capacity, and carries a full equipment of fire fighting tools as well as about one thousand feet of Standard Fire Hose. The second piece of apparatus is a double chemical machine, and serves as an auxiliary to the larger. In addition to this the old horse hose of the former Menlo Park Department has been made over into an automobile trailer and carries an extra equipment of about one thousand feet of hose.

The work done by the Commissioners has resulted in a reduction on the insurance rates of the district of five cents on the premium rate of every dwelling, and an additional five cents on all buildings located within three hundred feet of a hydrant. We take pleasure in advising our readers to go over their Fire Insurance Policies and see to it that they get the reduction that is coming to them through the efforts provided by the Commissioners.

A fire of the same make as that used by the United States Government on Angel Island in San Francisco Bay, has also been contracted for and is now in the course of erection. The carrying capacity of this ship will be such that its blasts can be heard practically throughout the entire district.

The Commissioners are now working to co-operate with the army authorities in the field and to make the fire engines which Camp Fremont is shortly expecting will be available for fires in co-operation with the machines of the Menlo Park Fire Department.

The Commissioners are planning still further developments along the lines of the work that has been done. At every fire they have been splendidly supported by members of the Fire Department, and we urge all our readers to go to the polls and register a vote for these gentlemen as a token of appreciation for the splendid efforts they have put forth.

Menlo Parlor N. S. G. W. will give a benefit dance in Duff and Doyle hall next Saturday evening. Good music has been engaged for the occasion. The cause is a worthy one. As many as possible should attend.
